

5 Methods Students use to Browse for Books

1. Daily 5 rotation

Once a week students browse for books during one rotation

2. Small Group Work

Once a week the small group browses and chooses

3. Before School Starts

In the morning if the school has an open campus students report to the classroom and browse for books

4. The First 5-10 Minutes

Each day all students have the opportunity to browse for books and greet their classmates

5. Split the Class

Half of the class goes to the library with the librarian to support browsing, the other half stays in class and chooses from the class books
