Dawn	What is the cost of the online notebook?
Emily	that is so awesome Carolyn and Carol!
Kim	Love using the online version!
Kelley	I love the online conferring notebook!
Karen	I use paper-pencil
Emily	so happy to hear that Kim and Kelley!
Amy Miller	Still using paper and pencil here! I would love to see it as an AP.
Sandy	I've been a paper pencil girl since the 1st edition of Daily 5 came out.
Sheri	LOVE LOVE LOVE the new online version! Tried the old version and went back to paper pencil. Tried the new version and LOVE it!!
Emily	And hi Kelley! =]
Claudia	using paper pencil but VERY open to online
Kim	I'm just starting to use the online and I absolutely LOVE it. Everything is in one place. I can print anything I need. I love the calendar.
Madeline	ConferringNotebook.com costs \$24-\$39/year depending on membership type. If you're ever interested in trying it out you can try a 30-day trial!
Laurajane	Starting to set up the online conferring notebook for coaching teachers!
Dawn	Thank you Madeline!
Emily	Love that Sheri!
Jody	I did online years ago. When I moved to a new district, they don't use it. I'm the literacy specialist and see a lot of kids. Is there a way that if I pay for the CC with my own cash, can teachers somehow see my notes? I'm
Kelley	Hi, Emily! :)
Kim	I also love being able to plug in the goal and the strategy instantly.
Dawn	Jody, can you print the pages off?
Claudia	i just want to double check...has the audio started yet? I'm still seeing
Carolyn	My students love meeting with me and the one-on-one attention.
Polly Wolf	Caudia click on the play arrow
Carol	Yes it has Claudia. Try to reconnect.
Dawn	Claudia, yes the audio has started.
Jody	If that's an option, you bet!
Emily	Dawn that is a great idea to share student notes with someone who does not have a ConferringNotebook membership
Heidi	After reading the chapter, I think I am ready to take the leap to online. I have been lugging two binders for both of my classes. My only question is that I have two different classes, and I want to keep them separate. Is
Carol	You will love it!
Jody	Can you do running records somewhere in the CC?
Emily	Joy. so either you can print off reports to share with another person or if they have a membership you can share students with them to see notes
Claudia	Thank you...I refreshed and there it is!
Carolyn	Heidi, I'm pretty sure you can set up two rosters, but I'm not certain.
Carol	I would like to know if two rosters can be set up also.
Polly Wolf	I am an instructional coach and we are implementing the conferring notebook. Can we do that without using CAFE?

Madeline Heidi-you can add an unlimited number of students and your class list is organized alphabetically so we recommend labeling your students with a lead number or letter ie add a letter or number in front of all students in

Polly Wolf Thanks Emily. We are just implementing Daily 5 and Guided reading We needed a conferring notebook so only made sense to use CAFE. Maybe

Madeline Jody- great question there isn't the ability to do running records at this

Sara I love the online coffering notebook. I would love to be able to upload my standards so that I can choice them as easily as picking from the CAFE.

Emily Polly. yes you can save your own custom goals and strategies instead of the CAFE goals and strategies that preload into dropdowns. let us know if

Amy Miller Sara that would be awesome!!!

Dawn Neat idea, Sarah!

Carol I agree with Sara, it is hard to go back and forth.

Madeline Sara- we're working on the ability for you to add your own custom strategies to use during conferring similar to the pre-populated CAFE

Sara Thank you!

Carolyn I would like the ability to drag and drop my students' appointments if I need to change their appointment. Sometimes a student is absent on the

Kim I LOOOOOVE the self populating concept between the calendar/conferring and the Keeping Track form. Saves a lot of time and I

Sara Me too Kim! One of my favorite features!

Madeline Carolyn-we're actually working on that feature too! love the ease it would create to drag and change the meeting date. You can also click on a meeting on the calendar to open it where you can change the date. Its

Sara Carolyn I was thinking the same! Happy to see they are working on it!

Sara love thiss idea!

Julie Do you have templates of filled in curriculum calendars for each grade level with state or provincial standards so that we don't have to start from scratch each year? (specially for new teachers who are

Sara I just started the online notebook and I am not sure how to add reading

Kim Is the curriculum calendar in the online version? Not finding it.

Carol I wish the behaviors were also listed on the drop down menu.

Lisa The behaviors are there are believe...just scroll all the way down?

Kathi Sorry I am late! I will re-look at the video I missed. I love using the online conferring notebook as it keeps track of everything that I enter for each

Emily Same Lisa!

Polly Wolf Page 19 is the Checklist

Sheri My question too Kathi :)

Dawn Is there a Daily Math online notebook or is it part of the one we are

Madeline Kathi-that is a brand new learning in the new CAFE book and we're working on implementing the ability to choose those instructional

Polly Wolf How much does the online cost

Madeline Definitely thanks Kathi!

Emily Polly. ConferringNotebook.com costs \$24-\$39/year depending on membership type. If you're ever interested in trying it out you can try a

Katie Does each teacher have to have their own membership in order to

Dusty <https://www.thedailycafe.com/content/conferring-notebook-tour-and->

Kathi I love the online version as it is so portable and I can access it anywhere

Kim Don't worry about the trial. Just pay for it. I joined paid for it last week and it has already improved my efficiency and made it so much easier to keep track and plan. You don't have to flip back and forth in your notebook to different kids. You can see all your notes quickly and it has

Sheryl We use the online conferring notebook. We share our students and can see the conferring notes. Which we love! However if we each use our own log in we can't see eachother'sDaily Check In. Are we doing

Emily Teresa. Send us an email at [info@conferringnotebook.com](mailto:info@conferringnotebook.com) and we can talk about what your school board approval process requires.

Carol If you need more than one group--put the number before the name of the student and they will be in alphabetical order but in groups.

Patricia Parsons I just signed up and it said the membership started, and to go ahead and log in. I did that and received the message that the membership has not started yet. Am I doing something wrong or is there a period of time that

Madeline	Katie- yes the program allows you to share students and having separate memberships allows you to see which teacher met with the student and
Lisa	difficult to change what you do not measure!
Dawn	I have an old picture of what NOT (from my 1st yr.) to do with the notebook. I almost need a wagon to lug the thing around. It is huge!
Sara	My school wants to purchase a subscription for the online conferring notebook, but I am still under my 30 day free membership. Do we need
Kathi	Before writing everything down, I really didn't know where my students were in their reading comprehension. I also only really heard them read aloud a few times each trimester. Now, I hear them all the time and I
