

Instructional Protocol Icon Definitions

Record Selection Title

Jot down the title of the selection and page number.

Observe the Student(s)

Record what the student is doing related to the goal.

Think About Conference Focus

Think... Do I teach or reinforce what we planned yesterday? Or change the plan based on what I see today? Record what was taught.

Record Two Targeted Goals

Record two targets for the student to work on before the next meeting. First goal relates to comprehension. Second is to practice strategy.

Discuss Next Meeting

Plan next meeting. Record on Pensieve calendar.
